PROFESSIONAL SUMMARY

Motivated Web Developer and Video Editor pursuing a Bachelor of Computer Applications (BCA), with hands-on experience developing responsive web applications using HTML, CSS, JavaScript, and Tailwind CSS. Experienced in building real-world projects, Git/GitHub version control, client-focused web development, and creating engaging digital content. Strong problem-solving skills with a passion for learning new technologies and delivering user-friendly solutions.

WORK EXPERIENCE

Video Analytics Intern | IIIoT Infotech Pvt. Ltd.

Dec 2025 – June 2026 | India

- Worked with image datasets and performed data annotation using Roboflow.
- Annotated objects and activities in video frames to support computer vision model training.
- Reviewed and validated annotated data for accuracy and consistency.

Video Editor | Bazaar Digital

March 2026 – May 2026 | India

- Created engaging short-form videos optimized for Instagram Reels and digital marketing campaigns.
- Added transitions, captions, effects, music, and visual elements to improve video quality and engagement.
- Collaborated with mentors and teammates to plan, build, and refine web applications in a team-based development environment.
- Edited client reels, UGC videos, and promotional content for social media platforms.
- Participated in debugging and testing efforts, identifying issues and implementing new features to improve site reliability.
